

Product Release Announcement

Latest Software Release Notes, August 2025

Enhancements and Issues Fixed

Automation & Lists:

- Added the option to notify a **specific user group** for User List and Automation.
- Implemented a User Smart List condition based on "**Any Playbook**".
- Added the "**Partner Admin**" condition in User List, Automation, User Drip, and User Scoring.
- For Deal Lists, provided the action "**Not Equal to**" for Deal Status.

Deals:

- **Similar Requests** will now also be shown based on the domain of the contact's email.

MDF:

- Super Admins can now change the **amount of approved MDF requests**.

View Assets:

- Implemented the '**Add to Dataroom & Send**' functionality on the View Assets page.

*Please note that some of the product updates described above are available in your account based on your current plan with Mindmatrix. Our team may need to enable an individual feature so you can gain access to it. If you would like to know more about adding a newly released feature to your account, email our team at support@mindmatrix.net. -- *Mindmatrix Services*
