Product Release Announcement
Latest Software Release Notes, November 2024

Roadmap Items

Switch Persona:
- The option to switch Role / Persona has been made available for users assigned multiple roles. The Dashboard and Navigation layout are modified based on the configuration of the selected Persona.

Enhancements and Issues Fixed

Editors:
- The functionality to translate email templates during the copying process has been implemented.

Exports:
- A column labeled "Unsubscribed" has been added to the export file for users.

General:
- The option to switch Persona for users who have been assigned multiple Roles has been introduced.

Lists:
- The ability to push notifications for Deal, Opportunity, and User lists to Slack has been enabled.

Login and Portal Configurator:
- A setting to specify Admin Users who will receive notification emails for "Inbuilt Partner Registration" has been provided.

V5:
- The Course Catalog page has been redesigned.

---

*Please note that some of the product updates described above are available in your account based on your current plan with Mindmatrix. Our team may need to enable an individual feature so you can gain access to it. If you would like to know more about adding a newly released feature to your account, email our team at support@mindmatrix.net. -- *Mindmatrix Services*
