

Product Release Announcement

Latest Software Release Notes, June 2026

Enhancements and Issues Fixed

Automation & Lists

- The 'Partner Admin(s)' radio button has been provided to enable Partner Admin email notifications in the Advanced Search Lists, Company Opportunity Lists, and Automation Lists.

Editors

- The option to copy the Linked Form along with the Web Template has been provided when a Web Template is copied.

Setup

- The option to configure placeholder text has been provided for all field types.
- For Product Database text-type fields, options have been provided to display the fields in a grid and to sort them.
- The Summernote plugin for HTML fields has been updated.

*Please note that some of the product updates described above are available in your account based on your current plan with Mindmatrix. Our team may need to enable an individual feature so you can gain access to it. If you would like to know more about adding a newly released feature to your account, email our team at support@mindmatrix.net. -- *Mindmatrix Services*
